VISION

Sakyou... I'm... alright...
Don't sing anymore!
PANIC
Get some oxygen here!
Ah!
Kazume!
In the midst of the applause I was nearly dazed!

This band is called KEEL, they have their own style and every member is dedicated and professional...
Except me
Sakyou's really great!
gulp
Why am I here?
So embarrassing
But like a dream
That I'll be singing here
My voice.
clatter
It's not coming out

Hmpf
I never would have thought you are such an idiot!
flick
Sorry!!
because of over-projection of your voice, you started hyperventilating, and hence fainted?
You were too worked up and was howling
tug tug
You did rather well!
Ha
But you were great!
I looked up to this person—
You are not to smoke and drink for this period of time!
It's bad for the liver.
You have to take care of your health first.
I started following them without a care.
Honey and grape juice!
Grape?
What is this?
After the first time I watched KEELs performance by chance.

Is he concerned about me?
Sure! Where are the others?
Do you want to eat?
Sound
And you are under aged to boot!
But I am a guitarist, so I can drink!
Eh-?
It's nice to discover that he has such a side to him!
Still at the bar, I think!
...
He is the one who taught me to project my voice. and he's a strict teacher!
Because I projected my voice...
I fainted...
Sigh!
Don't worry about it! You'll get used to it soon.
Special training! I'm so happy, teacher!
That's right! Those people are all tending to the shop, so they can't sing anymore!
You need special training!
KEEL was really professional at that time...
KEEL only performs at this shop...
Since they are not performing, they must be at some other shops!
Eh?
Go ahead and ask upstairs! Not at the studio, but at the Café!
The uncle with the glasses is the boss of that shop!

Ah! Welcome!

They have stopped performing temporarily!
About the band KEEL
Ah? This man is the boss? Although I can't really tell, but I do remember!
IMMEDIATE ANSWER
Eh?
And I am the guitarist
Didn't you know?
Translator's note, Kyochichi= big-breasted
The keyboardist and bass are recording for the "Kyochichi* Idol"!
The guitarist is composing songs!
Huh?
KEEL is really enjoying it!
Ah!
They are all professionals....
I come here when I'm free
That's true too
I THOUGHT YOU ARE THE SHOP-OWNER!
EH? I'M SORRY!

But I was really listless after I went to college...
I stopped because of exams!
I felt like a wandering spirit!
Ever since I quit the band...
Are you in a band?
Whose fan are you?
Uwa - Uwa - Someone from KEEL
awe-struck look
That's always the case
That's no problem!
Ah!
Sakyou!
Our vocalist position has been unfilled recently!
This mesmerizing sound.
Sakyou's guitar...?
What are you going to play?
shove
Young man! Try playing something!
I forgot...
Because of that, the number of songs has decreased!
So you shall sing with us!
Haha!
I haven't sung for some time...
Guitar and the vocalist...
...
Go ahead and play!
That's Sakyou's guitar!
How can I show off my incompetence in front of a KEEL member?

Why don't you sing?
Don't you love singing?
You have a good voice!
I love it so much!
Ah!
Sakyou! You're awake?
Can this kid be the lead?
Ha ha
Very pretty looks! He's bound to have lots of fans
SAKYOU!
Can't be!
But...
YAWN

Ah! Please forgive me!
You're really awake
Hmmmph
Sakyou!
Why did you let me join KEEL?
What am I doing?
Ha
Sa—
My head's spinning
burst into laughter
Just looking at him is making me dizzy...
But he is really handsome...
DO YOU NEED A VOCALIST?

I can touch him, get near his face

Ah! Pick it up for me!

What am I looking at?

Still at the bar! Kazume's going over immediately, too!
Sakyou's body warmth?
Kazume!

You can have it if you like!
But you've gotta repair it!
Really—?
Here...
The clasp is broken!
He saw it...?
Will he think that I am weird?
Ok!
Why do I do such things?
Haa—
Kazune! come here!
You guys are finally here!
居酒屋

I'm watching the tea
WA HA HA
Don't let him drink too much!
Old man!
Cure it by alcohol!
Because my throat's sore!
Kazume! This is to celebrate your first on-stage performance! How can you be drinking tea?
I can't really
DANG
Was "you can have it" because he saw me kissing it?
— or did he think it's disgusting?
Hmm mff
But he did give it to me...
Sakyou, if you don't want to join, fine! But why are you drinking tea?
I'm having bourbon!
Such a big glass?
un
Think of a way to treat this alcoholic!
POUR

Come on, drink up!

I want one too
Ah—

Don't drink my bourbon!

GA
BOO

Hey! You just fainted earlier! Are you alright?
I'm fine!
Bye!
I'm...
LEAVING!
I hate others touching Sakyou!
Something's wrong with me
Why...

He's improved a lot!
His voice originally possesses an echoing quality! Once he lengthens the note, it becomes even more unparalleled!
It sounds really good!
It's much better than the first time!
He remembers that he must move the audience, and fully fulfills the requirements of a frontman!
KANJIME-
The number of fans has increased dramatically!
After his addition, the band has become much more vibrant!
Won't this going in the opposite direction?
We are not going for this type of band
This is actually what we want
isn't it!

Why not ask KEEL?
Why me?
Major label?
OPEN
Kazume!
come back stage!
It's you we want! Sawano Kazune -kun!
I'm here to convince you to sign-on!
Eh?
You decide this!
MOB producer?
They are all arena class big bands
Do you know how many popular bands debut from our company?
Ah... of course!
We are now looking for members to perform in a debuting visual band.
A visual band... meaning TV performances?

Would you like to be the vocalist?
We need your looks!
sneer
You need my looks?
It would be too hypocritical to say that I have the talent to sing
It would be passive, too
Looks are a major indication of your power in this world!
Why don't you approach Sakyou?
He's got the talent and looks to spare, and he's even working hard!
If you decline again, it'll be the 3rd time!!
But I'm not going to give up like that!
Visual right...
That man does not need it!
He makes enough just being a composer...
What's that supposed to mean?
It caused Sakyou's guitar to go off too!
One can hear it!
thump
You were nervous and went off-key, and it was mixed up in KEEL's music!
The second time I was refused was during your first live performance!

So I'm saying, it could have became an unexpectedly good combination.
For a moment I thought and this is so embarrassing I want to run away,
I was so nervous I couldn't breathe and was gasping
Uun!
I think you were overwhelmed by your first on-stage performance.
So much that you fainted.
Are you being sarcastic?
But anyway, I think Sakyou has good taste.
I feel the same way too
I have seen all your lives You really do improve with every performance.
Hey! Look there
Can't you hear the changes in your voice now?
Look, it's Kazune!
We're so lucky!
He's so cute!
Don't underestimate those girls over there.
Their opinions do matter.
You've already been chosen!
By KEEL by fans.

Singing under a major label will further train you as a vocalist
To continue giving your listeners gritty songs is—
Isn't that why Sakyou let you perform on stage even though you weren't totally ready yet?
Ecie!
From there, is it?
I'll try this way next!
This way, you have to sing it this way!
Sing from your diaphragm!
Look out for the place where you have to harmonize
High notes this way!
You just need
more confidence!
but my number one aim now—
What is it?
Sakyou agreed for me to be the vocalist,
I should discuss this, seek an alternate opinion
To desert KEEL for it?
To leave Sakyou for it?

The doorbell is ringing...
I heard that the house is soundproof
.....
RING
Is he wearing earphones?
The door is unlocked?
So careless!
A demon is here to get you~
knock knock
CLIK
I'm Kazune
Sakyou?
So that's what happened!
Falling asleep during work...
am I his parents?
He's fast asleep?
I'm taking this
ding
Zzzz

—I kissed the cross!
Sakyou's body warmth is too enticing!
I—
Want to do this—?

I like Sakyou!
I keep thinking about kissing him!
But I can't let anyone find out about this!
He would be disgusted!
I'll lose him forever!
I want to leave KEEL!
Even as a vocalist...
.....
But I don't have anything
That could hold Sakyou to me! Nothing!
However... I can't control myself anymore!
Kazune!

Is it because of me?
.....
Don't pity me! I have no choice too!
It is not because of you!
Because..
I can debut under a major label...
He really knew it!
KAZUNE!

BANG
Thank god... at least...
I didn't cry in front of him.
What was I doing?
I'm such a fool...

This is Sawano Kazune.
click
Yes...
I accept your offer!
Please guide me from now on!
I so hate it...
I am powerless to do anything about it...
I love Sakyou!
sniff
However, this can go nowhere
This can't go on...
It's no use letting things stand still at this stage.
One day, I will catch up!

I'll work for the day - the day you come to me.
And choose my voice again -

Ditching KEEL for a major label
Eh?
Kazune's quitting-?
That moment
To be in those hands once more
That's news - Kazune received so much guidance from you guys.
He's a betrayer
From the beginning, many negative things have been said about him
flick

What?
So it is a bit unfair of you to misunderstand him..
He was very hard-working!
He had been trying to catch up to us right from the start!
HAAA?
What are you talking about?
Did that meant that "I won't become a beast again"?
Nothing of the sort
Is Kazune a betrayal?
You've heard about it?
You... gave your cross to Kazune right?
Moreover, we are a non-professional band!
We have no right to restrict Kazune!
Kazune has always been a fan of Sakyou!
Kazune is not only your bandmate, he is your admirer too!
You should not play with his feelings!

I was attacked and kissed by him...
Attacked?
Beast...
– Can you explain it that way?
DON'T PITY ME!
collapse
.....
I don't know what you mean!
That's it! He's probably a golden egg that must be incubated!
He's a rock!
That can be polished
If polished What can he become...?
Good! Let's take a break!

So you are the "Kazune" of KEEL!
You really are the vocalist that fainted that time!
Ah! Everyone knows about my most embarrassing moment!
Yup! You know of KEEL?
Sawano! You are from the band of Sakyou Junya night?
As for me, I went to look at the guitarist after hearing about it from Ai-chan.
So it's you! No wonder I seemed to have heard of it
I heard that KEEL had a new vocalist, that's why I went to take a look!
You're so cute I don't know how I didn't see it
Ai-chan
Hm
It's too drastic difference!
I don't want! Such a guitar!
Ai-chan! Please don't let him join us!
But
Please introduce yourself!
Eh?
You leaving KEEL is indeed a little...
It's all the same!
I didn't hear anything about it
I depend on my looks too!
There was no more contact between us after that!

Ever since I kissed Sakyou we did not talk.
— I kissed him.
Wow! Kazune! We're on the papers!
Can this be done?
There's not even any songs!
It's published?
And it's un-edited!
Is that me?
So embarrassing!
At least there wasn't too much make-up!
Make-up?
The songs are done!

BLANCA's debut single!
Wah! So it's really from external sources–
But there's no arrangement
The debut song..?
You folks will be in charge of arranging it!
Try hearing it.
rustle
Although I am indeed looking forward to the major debut
aaa
Do you realize it? Kazune!
Is it Sakyou's work..?

There's no lyrics and song title yet!
Could you write them?
"If Kazune wants to sing it, I'll provide it"!
He said it. It was really a good choice to approach him!
Sakyou would for me ?
That's fabulous!

– We can have a connection then!
Yup

And eventually...
There'll be a day—
I'm Kazune...
about the song... thank you!
As long as I will sing, Sakyou will listen!
And he'll... See me!
End

It's rather shocking..
smile
Wow! There's a gigantic crowd right outside!
But they can't see a thing as we are in the recording studio! Too bad!
The glass window is totally blocked by the girls!
KAZUNE Love Love!
KYAA!
Today's special guest is...
Kazune-kun from the band BLANCA, currently on their concert tour!
clap clap
Whenever I hear [Sakyou], I think of [BLANCA]
This time, it's still Sakyou Junya-san as the songwriter with Kazune-kun on the lyrics right?
BLANCA's tour has just completed! Next, is to start working on the new album right?
BLANCA
Hi—
What do you think of it, Kazune-kun?
He provides many creative tunes to various artistes! He's the hottest demanded songwriter nowadays!

You're now on your way in the car?
Thank you so much!

I would have thought that being the lead singer is an easy and attention-attracting job,
but it seems that Kazume-kun is very troubled!
Even at social functions, he just has a sip or two!
He doesn't smoke or drink.
That's rare... Kazume is the obedient baby of the music industry!
The schedule for trains departing from Tokyo to Sendai
The schedule!
There's a set schedule
With the exception of the weather, instruments and other factors can be controlled!
Wait at the train station! Do I leave the security guard here?
For humans, other than the physical self, mental state is important too!
He said "the most important part is the voice"!
So to catch the heart of others is a difficult task...
Maybe Kazume-kun is under too much pressure...

Actually, they all hope that you sing for KEEL!
That's not true!
Everyone supported you!

I will not go back to KEEL.

Kazune!
It was great just now!

Sakyou is not here yet!
Ah!

I know!
How stubborn!
He never answers his phone when working! Recently, other than work, he just sleeps... Practically the only one available is the answering machine!
Yup! I just called him!
He doesn't seem to be at home!
Ah! You make us worry for you! You must have been exhausted!
I heard it from Ken-chan!
Kazune, you came just to watch KEEL's live performance right?
Right!
That's why you were at Tokyo...
What do you want to drink?
I went to the FM program by myself just the other day...
Especially as the lead singer, you have to attend all the publicity and interview appearances!
With such a packed schedule, are you sure you can take it?

I am a fan of KEEL.
It's enough just to listen to them!
Do you know?
We still treat you as one of us!
You often come to the café, and leave without seeing anyone!
Did you have to adjust your schedule to find time to come?
Sniff
This café is to provide people with a place to relax!
It's the same for you!
KEEL is formed purely for our enjoyment!
Every member has their own life and activities, our common goal is to enjoy music!

Since when...
did you and Sakyou stop talking?
.....
.....
Kazune?
Sorry ... hearing your voice...
I must be too tired? Or...
He... only provided the tunes...
It isn't from that day three years ago, is it ?

Eh?
Take it as the first round is over!
Kazune! Do you want to leave this place?
Mikami-san
I'll let you go see Sakyou!
NO! I'm afraid...
I don't think there's a need for it
?
Ah...
Come with me!

What's no need? What's the matter with you?

Kazune!
Sorry! Mikami-san!
I definitely_
Ah.

Is it because of me?
Watching Sakyou's shocked expression, I chose my own path!
It hurt terribly... I was so near him yet I could not get him.
I don't have the power to owe him...
So... in the end I could only choose to leave Sakyou...
Kazune - that person is KEEL's drummer right?
Introduce us!
Ah! Mikami-san?
It's the band you used to be in right?
He's not a professional! Only a temporary back-up player right?

Other than me, those who broke off from their original bands, like you did, really make others worry!

This is the last time I'm saying it
Even they are worried after seeing it

Hey hey
Saku-chan! I LOVE you
I feel that "My place" is in a band!
And after that Ai-chan appeared—
But luckily, I am only a keyboardist
No matter where he goes, he can't get along well with others
Even though it's not that he left because of disagreements every time.
But Ai-chan feels that we can't do without Sakyou!
So he won't give up on keeping Sakyou as a songwriter!
A lot of companies had great offers for Sakyou, but he refuses to even hear them!
I wonder what he's thinking

Have you heard the CD? It's so your style and is gaining much praises! Guess you are very busy due to publicity matters right?

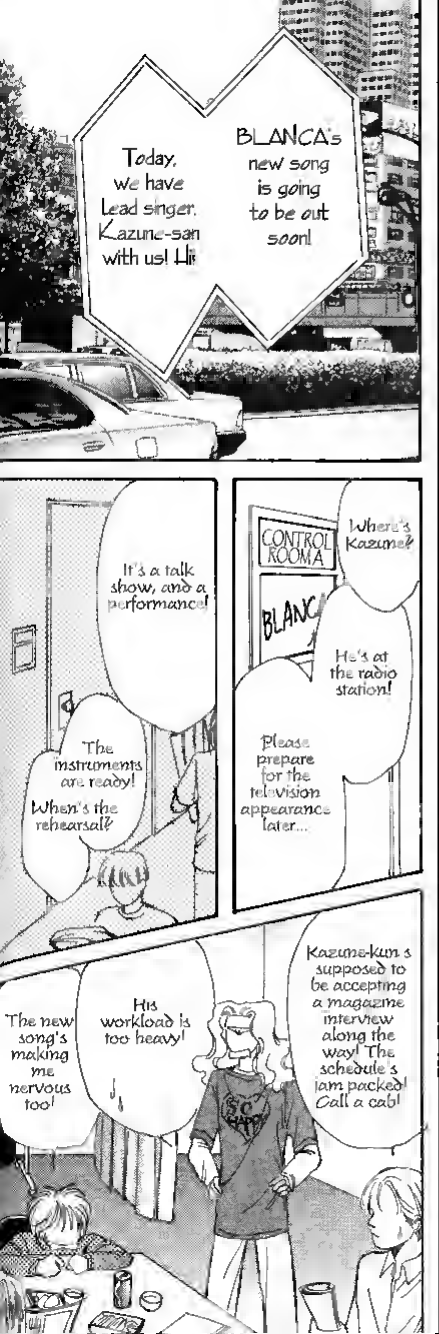
Didn't you know?
Sakyou-san! You did not go watch BLANCA's performance at all? I've already watched it five times!
I even paid for the tickets using my hard-earned wages!
Don't just stand there with your talk!

BLANCA has become a really good band!
YOU'RE REALLY ....
Ken! Go take the orders!
IF I HAD TAKEN THEM, YOU WOLDN'T HAVE GONE ALL THE MORE, RIGHT?
collapsing
I could have given them to you, if you wanted
VIP seat tickets
Kazune has become a really good singer too!
Like we said that day!
You are been pursued by BLANCA's manager right?
Why do you keep refusing to become their guitarist?
His fans are numerous! Heaps and mountains of them! The unpolished rock we picked up has been polished till it shines
I can finally understand the magic around him now!

You should be a guitarist!
Because Kazune knows that, that's why his voice was here. Hmmph! That brat has really messed up our band!
Do you want a Lead singer?
And that persistent guitar of yours, together with Kazune's voice, was a match made in heaven!
But we still did our best to develop Kazune's talent!
Kazune did change a lot after joining KEEL! The truth is, in such a short time, we could not have been ready to perform live.
Can I go back now? I am helping BLANCA to write, too!!
the one who says that he is not a betrayer, is you!
After seeing Kazune,
Why there is no official lead singer after Kazune left KEEL?
I have one more question!

You never gave up on Kazume at all!
That's why you're still writing!
Because in your music,
there still exists "KEEL and Kazume"!
You still have not accepted the fact that he's in BLANCA!



Today, we have Lead singer, Kazuma-san with us! Hi
BLANCA's new song is going to be out soon!
It's a talk show, and a performance!
The instruments are ready! When's the rehearsal?

He's at the radio station!
Please prepare for the television appearance later...
The new song's making me nervous too!
His workload is too heavy!
Kazuma-kun's supposed to be accepting a magazine interview along the way! The schedule's jam packed! Call a cab!

I won't accept "BLANCA and Kazuma"—

That's right
Kazume-kun was in KEEL in the past right?
That's right! KEEL seldom performs live! But they seem to be quite famous in the industry!
FLASH
Immediately after the tour is the publicity! There's no time to rest!
We have to think of a way!
Because of Sakyou's fame, KEEL's is rapidly rising too! They only perform at that café BREATH right? That would attract more people instead!
I believe they're not bad!
Mikami didn't say a thing about that
Nop! Nothing much!
I've not heard about that!
Rumors say that there's a new member, talented and the subject of much speculation! It should be KEEL we're talking about here!
There's a mysterious saying that the band that birthed at BREATH is going to perform onstage!
Stop talking! The performance's coming right up!

He is really over-worked? Must be really tired.
click
click
It's alright for the photos!
There's a feeling of world-weariness!
Idiot
We still hope that you'll sing for KEEL!
I can't go back anymore...
Or is it someone else?
It can't be Ken-chan right?
If Keel's going to have a concert, who will be the lead singer?
You'll get pollen on him!
Hey! Don't use lilies! They'll dirty the cleanest!
I can't go back anymore...
Who will be singing? Many singers have their songs provided by him but to be really hearing his 'sound' at his side...
If KEEL really starts to perform... then.
that's so noisy
Eh?
Great! OK!
Good work!
sigh
I'm his own world.

BEEP
BEEP
What... am I doing...
Sakyou! Are you listening?
Mikami! You're such a nag!
If Kazune refuses, just drag him here by force!
RRR...
Sakyou! Answer the phone!
You're so noisy!
I have an answering machine
Please leave a message after the beep...
There you go again
One should use the answering machine!
Even if I asked Sakyou I know that he would not answer me...
BEEP
...
I am Kazune

Sakyou!
Why don't you answer?
I wanted to ask you... KEEL is going to hold a concert... although it seems as if that has nothing to do with me anymore...
Because I...
betrayed you
Kazune!
Excuse me...
Are you working or sleeping
Steaming
Where are you?
Ah! Mikami-san!
I am going to do a recording...
Sakyou! Come here and answer the phone!
Ah

toot
toot
Damn! Both of them!
Kazune!
Sakyou!
BANG
Forget it... Mikami-san...
I know he's avoiding me...
How did it become like this?
If I had endured it and declined to sing for Blanca and stayed at KEL...
I knew, long ago, that I should not think this way.
I could've still be singing beside Sakyou now.
Kazune-kun! Please enter the studio now!
I would rather have not discovered it!

Yes! Same as BLANCA!
Is Minako-san's new song written by Sakyou Izumiya too?
Hi! Please give me your guidance!
Next is Minako-san!

Kazune-kun knew him even before BLANCA's debut, right?
He came by during the recording!
I really idolize him!
He's great! And handsome too!
What do you think of Sakyou?

もーっこわったら
Haha
He likes idols
Don't be an idiot
That person did not come during our recording!
HA!
He's so honest
Sorry! He seems to have gone through some shock! That's our only Achilles heel
OUCH
どっ
Kazune!
Kazune kun?
Eh?
Ah!
Because of that kiss three years ago, Sakyou must
have discovered how I feel towards him.
That's why he's been avoiding me!
Although he's using an answering machine, but at least I connected. But I feel so miserable. I don't know when this is going to last until.
I'm afraid and so don't have the courage to face him.
Even if I'm sad, I don't know what to say.

Who will be singing Sakyou's songs...
Sakyou's unique melodies...
Using someone else's voice...
Being heard all over the streets...
And now BLANCA's new song!
Kazumi?
You OK?
Ready with the new song?
This is not broadcasted live, so relax
But the singer is not me!

All
My voice?
Kazune!
My voice refuses to come!
Ai-chan! We're dead!
shaking
Breath -
Kazune!
How?
Kazune!
What do I do?
choke
ugh

What should I do—!
KAZUNE!
Was it hyper-ventilation?
It's caused by an imbalance of oxygen and carbon dioxide in the blood!
Does he need to take medication?
The camp supporting the hyper-ventilation hypothesis
Huh?!
Sedatives!
It's due to exhaustion!
He does not want to give the reason
—Sakyou—?

So...
KEEL's debuting...
The only choice is to change the schedule! If you still want to sing, we have to do it last!
BLANCA
様
What's going to happen about the recording?
I just heard about it!
Who's the lead singer?
You're the most popular singer now!
You are BLANCA!
But I—
the only reason I joined BLANCA is to gain Sakyou's recognition.
From then on, I knew I could not go back.
However—

What am I saying?
But Sakyou obviously does not listen!
He just takes the song-writing as a job
I thought that as long as Sakyou would listen, when I sing Sakyou's songs, we would have a connection
Singing his songs on the stage!
He does not give me recognition
For three years, I have been leaving messages in his answering machine...
All the feelings that I cannot suppress anymore...
Being broadcasted on the streets...
are Sakyou's songs.... Someone seems to be singing it...
But it's not me!
Feels like they are all going to explode this moment!
I've sang... so many songs
But I do not have the courage to ring his doorbell! I can only sing his songs!

Hm-n
Ai-chan!
You refuse to have another man's mouth over yours and touching you?
What if I was Sakyou?
What about Sakyou's?
Don't...
Ah...
Don't!

If you had only "idolized" him, the degree of your feelings would have dampened long ago
But you wish to be loved by him!
But I don't want him to
take away your songs!
You wish to gain his recognition! So you thought that there is hope as long as you sing!
No! If I stop singing
You're just afraid of losing Sakyou!
You're afraid you'll lose the motivation to sing!
Isn't it? Kazume!

I was so afraid... I couldn't even make a sound...
Cold sweat, frozen up...
if this continues, I won't be able to sing anymore right?
You're afraid you won't be able to sing, because you want to sing!
For the past three years, you weren't singing only for Sakyou!
You must believe in yourself! Kazune! It's not that no one believes in your ability!
You're a singer! I know you, more than anyone else, want to prove yourself to others
Ai-chan, I want... to sing...
I'll Lose Sakyou...
That's great...

You say that singing is a natural part of you!
Wow! What presence!
Since you have the voice and the ability to show it off, then you should be confident as a singer!
Is that Kousuke? Normally he seems so thin, but now he stands out!
It was the stress of disquietness that took away his breath.
Because he was afraid when he discovered the loss of the current balance. So he felt that he was losing everything.

If there's no Sakyou there would be no BLANCA!
Even though he is not physically there, Sakyou Junya's passion still exists!
But his voice and...
BLANCA's songs...
Deeply attract the audiences!

—It's time for KEEL to perform at major events!
Not enough
It's still not enough!

Ah! The soul's back!
We're wrapping up!
Tamaki-san...?
Kazune!
Just that the lyrics are a little different!
Did I sing well?
Possibly because it's a new song! It's better than I imagined!
Heeh
You're great!
Unbeatable!

Good job

I will stop being an escapist! I will end it after seeing him!
The music that has disappeared, Sakyou has returned it to me! All I have in my hands is music!

Kazume! Idiot!
Sorry! A-chan! I'll go back myself!
You're doing it again.
This guy is really not trustworthy

I really don't know what to do about him anymore! This is obviously Kazune's personal relationship problem!
I wonder where he went off to?
Tamaki! You know about it?
Surely surely he's not as blind as he looks
He's so energetic now.
This is starting to really infuriate me!
He's just too stubborn!
I like him so much, so much that I can't stand it...
Saying "After being separate for some time, I'll gradually get over it." is a total lie!
I like Sakyo!

I thought that you were completely uninterested in BLANCA!
Didn't I compose for you guys personally?
You didn't listen to my songs?
Did you?
I really like...
I like...
I'm going!
You just composed your tunes!
You never cared about what's happening in BLANCA!
They really look alike. Eh?

Sakyou! Wait...
gulp
—Kazune_!?

I've not heard this voice for three years...
Kazune can sing like that?
He can sing at this volume?
Eh?
What?
Singing?
That's why— I was attracted by him!
What is this?

Do you want to hear my songs? But what I just want... is your voice...

Sakyou!
That's why I joined BLANCA! I wanted Sakyou to recognize me as a vocalist in my own right...
That's what I thought!
How was the song I sang? Was it as you wished?
Answer me!
Also because as long as Sakyou composed songs for me to sing
I can't take it anymore! Look at me!

That's why you were avoiding me right?
You don't have to worry about me...

Yes! I have always liked you!
You knew it too!
You... You're saying...
I'm a fool! For the last three years...
I have always liked, and could not forget about you!
But I'm afraid to see you, afraid that you'll reject me! However...
As long as you hear my songs! You'll see me... It probably would not have come to this!

That pierced my deepest being at that time
It was this gaze

I've finally succeeded, after spending ages persuading him! Everyone welcomes this addition, and this just happens to be a good topic for the new songs!
The contract accepting him as an official member has been signed
Sa... kyou...!?
It's a sudden decision! Besides, you won't have a problem with it even if you knew, right?
Everyone already knew about it? Ai-chan! You're evil!

Just come along!
Is there going to be a quarrel—?
No problem. Everyone, shoo!
I want to talk to Kazune.
All along it's been you who came rushing in—
You're the last to know?
This is so sudden... why
Look!
You're the courageous one...
You're the one who said you wanted it
What?
Sakyou-san! Do you want a vocalist?

Otherwise, I won't be able to sing anymore! But in the end you've come to disturb me again!
I... actually wanted to cut all ties with you...
Kazune.
You've forgotten it!
You don't need me anymore?

But aren't you guys going to have a major debut?
So you can come sing anytime you want!
Does this place allow smoking?
As long as everybody's free, we'll go down to BREATH to jam a little!
That's how the band functions in the first place!
I heard something about a great band from BREATH debuting soon?
HUH
Who's?
KEEL's!
I don't want to be restricted to a minor role!
And he's gonna be the guitarist!
A beautiful senpai-kouhai love... He's laughing? What sort of quarrel is that?
Good! Prepare for the press conference now!
Who said they were gonna quarrel in the first place?

That... that's probably Ken-chan's band!
But it's a totally different genre of music.
It's hard for us to understand!

The popular group, BLANCA, with the addition of a new guitarist, composer Sakyou Junya,
has now started working on their new song!
Mizuki has been poached by BLANCA!
And Sakyou has done something unexpected!
Half of BLANCA's songs are written by Sakyou anyway!
So it's not that surprising
DESTINIES CROSS
~I WISH...
I think the one by Sakyou's side should not be Kazuma, but Mizuki instead!

DESTINIES CROSS
~I WISH…

The first "Best Of" disc is not bad...
Why is it all new arrangements that we are recording here?
Because of the addition of composer Sakyou.
The plans for the concert have also changed.
spin spin
How many songs have changed?
How many?
There's also the piano arrangement
one
one
As there are limitations, most of the music has been changed too
That is practically everything!!!
Let's begin.
What are you doing?

Has the recording for the string instruments commenced?
Yes. It's not bad! It is indeed a very moving demonstration.
What?
You look happy huh.
hmm hmm
Music salon
Sakyou, BS music program mini-live's song list is here.
Pick five songs to practice.
—I love Sakyou!
Ever since when Sakyou was in KEEL

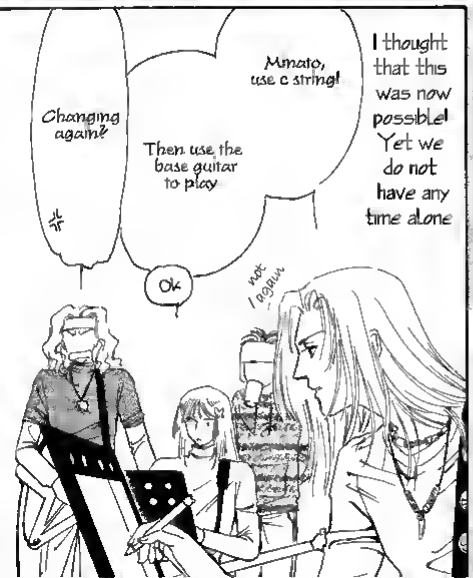
A very painful Love which cannot be expressed through singing
I left KEEL to join BLANCA because I was in too much anguish, longing for him all the time
But for the next 3 years, Sakyou as a composer provided the songs of BLANCA!
Although it is very painful, I couldn't forget
Just once...
Embrace me...
I thought everything would end like that...

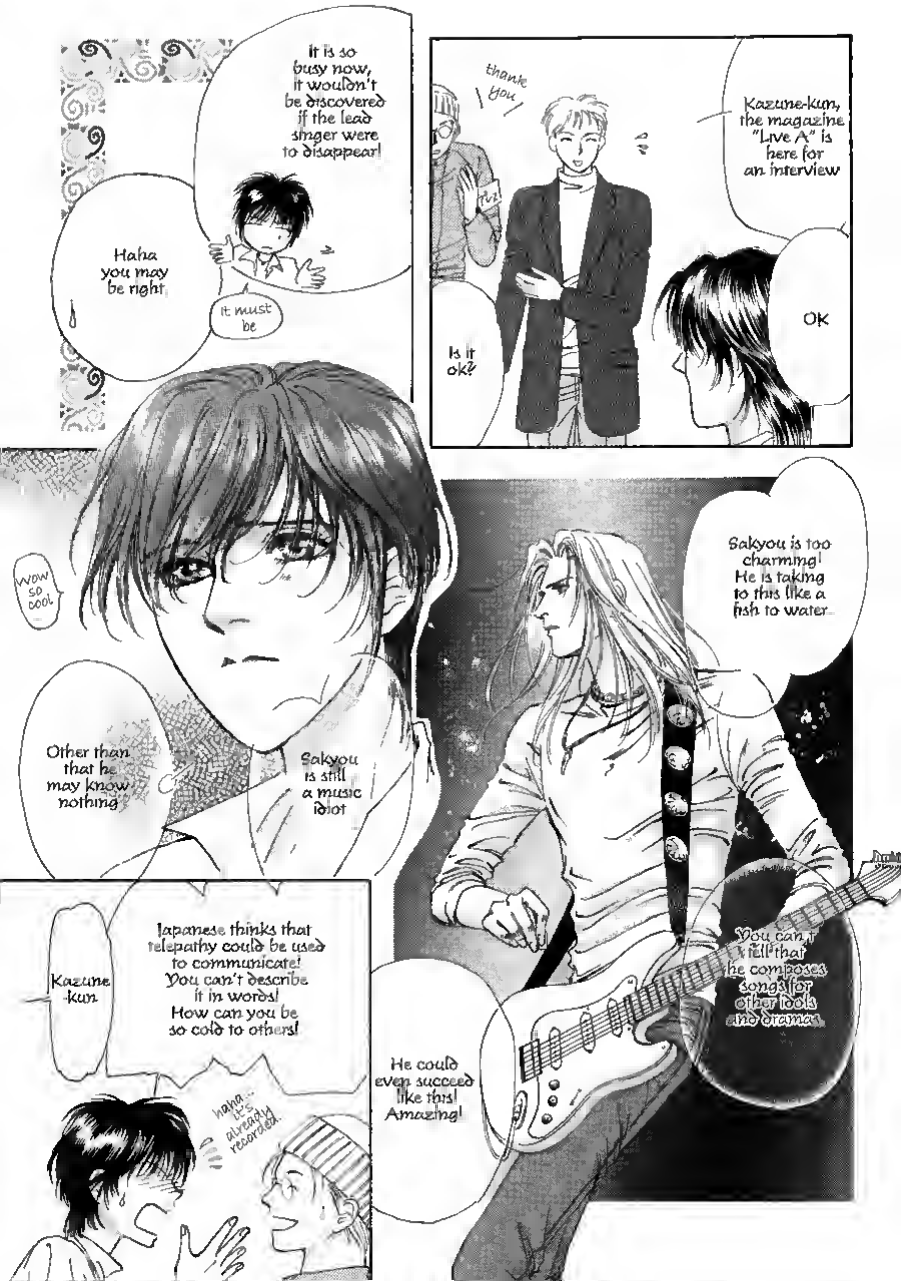
He said "I want you!"

I thought that this was now possible! Yet we do not have any time alone

I thought that a future with Sakyou will be promising

Until I heard that Sakyou would join BLANCA!





It is so busy now, it wouldn't be discovered if the lead singer were to disappear!
Haha you may be right.
It must be
thank you
Kazune-kun, the magazine "Live A" is here for an interview
OK
Is it ok?
Wow so cool
Other than that he may know nothing
Sakyou is still a music idiot
Sakyou is too charming! He is taking to this like a fish to water
You can't tell that he composes songs for other bands and dramas
Japanese thinks that telepathy could be used to communicate! You can't describe it in words! How can you be so cold to others!
Kazune kun
Haha... it's already recorded
He could even succeed like this! Amazing!

The lion and the dog! Kazune is sure going to be eaten.
what a beautiful transvestite
Wow! It's the real Mizuki!
Can it just end here?
Are the both of you in an intimate relationship?
crushing hug
I was the lead singer of KEEL before Kazune. We have not met since then.
Mizuki! What are you doing here?
I came to "fetch you!"
drawn beautifully
hair braids
blonde
black hair
Ah, Mizuki-san, your presence is still as strong...
He's always like that since before! Never change
beautiful face!
Kazune you are still so skinny! Did you eat?
grab

I am here to ask Sakyou to produce my new song!
Although I am with BLANCA, but I am still at the recording studio upstairs! I want to borrow Sakyou for a while!
Borrow
So that's it!
Yes!
Because I will be very busy as it will be my concert tour soon! Please forgive me! I will return him as soon as possible.
kiss
Mizuki! Let's go!
Ok
BANG
hmph
Why are you angry? Sakyou! What was that reaction?
eh
.....
was robbed...
Kazune -kun!

If they want to come rob him from BLANCA....
But if we go according to priority, they are indeed first!
Sakyou would do his best too!
We compose BLANCA's music! What attitude is that!
Although I am very happy... but can I hope for so much?
That's right! Sakyou never kissed me
It's always me kissing him!
That is him choosing you!
I didn't expect him to choose BLANCA...
We have never kissed after that
That could be fine deadly ?
That
is indeed what I hope for
That is him acknowledging you are the lead singer's isn't it?
Ahh! so unfortunate!
Don't be like that!!!! Let's eat
Is that so?
yah

You're permitted to enter Mizuki's recording studio
I sing for that too—but
Sing again 'once more'!
—The lead singer—
.....
WOW

Would Sakyou compare me with him?
"That is him choosing you!"
Mizuki's song has power and beauty...
Mizuki! Deepen your voice a bit!
It's always the same
Kazune-kun!
Kazune! Get out! Go back to BLANCA's recording studio --
Why did you chase Kazune away? Don't be like that!
— From the past —
It's Mizuki's first recording!

Ok
Kazune! Before Sakyou comes back! Arrange Saki's songs!
What were you doing just now?
It's you who minded him!
duhh
Is he so cute?
To bring Sakyou back, the only way is to sing...
yet I am envious of him providing songs for other singers!
I want him to look at me, listen to me, want me...

Mizuki's voice is still repeating in my mind...
His voice which is full of confidence!
I can't go on like this...
Whenever I am nervous I will grab this...
The cross Sakyou gave me
Do you want to sing?
He returned the music that I had given up on as well!
I had wanted such feelings to go away...
But Sakyou returned it to me...
Kazune...

Sakyou
Kazune!
Ah? Kazune..!
But..!
so..!
I too feel that he will never accept me a male..!
I thought that being the lead singer is enough

Mizuki!
Are you done for the day?
Great! Let's go for a drink!
But I don't drink!
You are not underage anymore right?
Or do you need your guardian's permission?
What a fierce guardian!
.....
Ah?
Can you drink champagne?
Yes
It is ok even if you are drunk! You can stay in my hotel room!
I would rather talk to you when it is not so noisy!

Honestly speaking, at that time I was thinking "this little brat is my replacement?"
It's been 3 years, hasn't it? Since I entered KEEL as a lead singer—
I was shocked by the naive, adorable guy you were!
The average age's all very low!
We ladies older than us
Nice to meet you
Wow! It's the new lead singer
KEEL is a band full of people who love music.
Actually he is still underaged!
At BLANCA using eyes full of challenge to sing [Breath]!
A straightforward young boy!
But I wanted a better performance, hence I backed out of KEEL to perform alone!
But I missed Sakyou and wanted to partner with him again!
I feel that we are very much alike!

No! I wanted to erase my love for Sakyou that's why I am escaping...
Muzuki
You are hoping for Sakyou to return?
I didn't want anyone to know... it is the same now!
You wanted me to say whether I wanted to be a lead singer?
Is that right?
...These are my feelings...?
But! I've fulfilled my wish of composing and producing songs!
Yet I was denied standing at the same stage.
Damn it
No! They're Muzuki's...?

I live here only when I am recording! Kazune! Is the wall so comfortable?
You've been living here all this while?

This is Sakyou's right? I've seen it when I was in KEEI!
You run all the way back here to get it back! Is it so important?
Have some water!
It's like being jealous of Sakyou. I seem to feel defeated and dejected!
If you ran here you will get drunk more easily! What a bad drinker!

— this is not stupid!
It is love...
sigh
PHEW
Do you love Sakyou so much?
Has he embraced before?
I really want to destroy Sakyou's things...
The first time I saw you I already discovered it... the way you looked at Sakyou...

Sakyou! How am I to answer you when you ask me this way So what if there is something? Would you even care?
Do you remember you were the one who asked me to embrace you?
That is different! You did it because you pitied me right? I was crying when I begged you...
Sorry, I have no right to say that... I did say that it is ok to do it only once!

Hoping for Sakyou to touch me, to want me
When you want to do it you can embrace me.
To be gentle to me...
This feeling of mine will never change! No matter what happen or whether I would get hurt, I never want to leave him.

I am an idiot!
You idiot !!
I don't know what to do! For you to like me too!
I can only sing! But I can't sing up to your expectations! I can only do so much!
I am a sissy! And my personality is not good but I can't help it...
Don't leave BLANCA! I don't want to be separated from you...

Strawberry Milk Fantasy

The survey asks "What if the band members are animals"?
Sakyou could be a wolf or an eagle? He's very fierce!
He is sleeping again!
He may be the lion on the tree! Very scary but always sleeping
More likely he is always sleeping!
Wake him up?
Tama-chan could be a bear? Bear?
ROAR
He can only be a bear!
Saka-chan is a fox or a rabbit?
Or fish or anything that crawls?
Where?
Chameleon?
It's got to do with his clothes
Or crocodile?
Kazune-kun is definitely a cat!
He always looks like one either on posters or concerts
I think it's 'dog'!
I don't know myself!
EH?
Ee? That's yourself!
Most of the surveys say 'dog'!
There's even people saying koala bear too!

Hi...
I don't look like a dog!
.....
Hm
Did you return back to sleep?
I called you to wake up! But you are still so slow!
Morning!

It looks like an alien from outer space or a dog
But it did drop from above right?

The first thing that an alien pick up from earth is a dog!!
Sakyou's room is at the highest floor!
Did it drop from upstairs?
It came to my balcony
What happened to it?

Everyone's present!
He's growing teeth! That's why it's itchy!
It bites!
ah!!
It's teeth are small too
What should we do?
Does he need cuddling?

Well wait and see.
It would be good if we could find him an owner
It's drinking strawberry milk.

The dog cried at night? Is it ok?
Same as humans!
Eh?

Is this my room?
It's lonely...
Sakyou...?

The puppy was also in Sakyou's room!
So good!
What are you envious of the puppy for?
I didn't cry at night...?
Thank goodness there's nothing R-rated!
Explanations unnecessary!
I was dreaming on Sakyou's bed...

What's that?

You said it dropped down!
Why would there be a dog at my balcony?
How can a dog drop down?

The correct way to drink milk!
The legs and shoulders apart, a hand on your waist. That's it! Sakyou spoilt his image by drinking in an unhealthy manner!
Kazune is more surprised that Sakyou drinks strawberry milk compared to the dog dropping on Sakyou's balcony
Then please do indicate it's highly recommended by Sakyou...
The company's president will be shocked...
It's delicious! There's even strawberry bits in it!
It's indeed a dream...
this is a dream too right.
I still don't quite understand Sakyou!

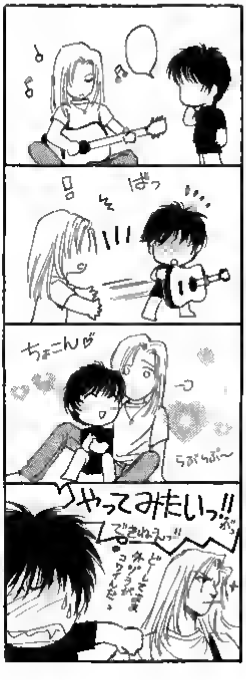
こんにちは　安曇もかです。
この度は この"ぴな2にへ〜"シリーズが 1冊に納まることに、って 3作＋描きおろし少々しか入りませんでした。
しかも 1作目を描いてから かなり経っており御覧のようにかなり絵的に変化してしまいました。特に和音。
『いちごみるく〜へ〜』はギャグものだ"指導かかっちゃってますが 自分としては 自然な感じのタッチだったのだ"久し振りに昔の見て ガクゼン（笑）。

2作目が92ページもあって しかも一番重要なところだというのに同人誌 だったというのはどーゆーね。
「描きおろし」という依頼をいただくとは 全く思わず イキオイで同人誌の表紙を引き受けちゃったのだ。
その時は 本編も50ページ程度のつもりだったのだが 同人誌のものごとに増えまくり（イベントにも間に合わなかった）画面的にも ナニだったのだ。
この機会と修正も少々いたしました。
更にその後また その続きで"いいから ということだ。ショコラに復活させていただけたのだ"「この2人いつのまに!?」と思われた方もいるんでしょうね。
と こんないきさつが この本収録の3作なのだ。
そして 今現在も続いておりまして〜。

http //www geocities co jp/Bookend/9734/mokahp html



そんなわけで 始まった2から数年〜。担当さんの「音楽ものでもいいですよ」という言葉の前までは 思いもしなかった"バンドもの"。
そもそも 現代ものもあまり描いてきたかったというか 携帯電話とか 今どこを誰でも持ってるものだが『せんき音痴のものも 珍しく〜。そして無論も。
そういえば"作目に出てくる"デモテープ"はカセット テープ"みのだが 当時と周囲者し前いたところ まだMDは主流じゃなくて もしう借りづらいようでしたの2"テープ。
雑誌掲載新作「Voice」では MDになってます。（持ち込み者ではテープ生活かも）
作中でも 時間は経過している 設定ではありますが 時の流れでするー。

作中に登場した「ケンちゃん」のバンドは「シーラカンス」という妙なビジュアル バンドで この2作目 制作中に神絵も投稿されてた 立野直己 さんの同人誌小説のキャラです。
こちらもバンドものということで「同じライブハウスで舞台にしよう」という遊びで お互いのキャラが登場してしまったのです。
でるのが「シーラカンス〜」のうちも 生京と和音 そして ライブハウスのオーナー三上さんが登場しています。
こうちにつきましては 同人イベント もしくは ホームページで』 URLは上記です。

わんこ和音は オリジナルグッズの為に生まれたのですが たぶんそれもきっかけになって だんだん和音本体(?)も 幼くなってきちゃって 。でも 本人は ダメ2 ダメ2 爆発タイプの息ぎれるのです
BLANCAの歌は「明るくさわやかに」ふりことは 違かですねー。
サオちゃんの「ぱちちんとぱち」も描き始まったら やめられなくなった また 皆さんがチェックして下さるのだ 最近は バリエーションに悩んでますく

SPECIAL THANX HP管理人 立野もこっち直己様。みすちゃ〜様。仙台仙台 神絵様。なかむら様。吉野さんの系統とライブ仲間(?)の皆様(笑) 海産ありがとう!!
そして 担当1様（ありえない様に忙しいハズの 毎回お世話かけます。1様いるかったら「ぴな2にへ〜」はたぶん生まれなかったしっ！ ありがとうございまーす!!!
では皆様 あと お会いできることを願って〜。
